Dear Legtricity partner,

On behalf of the entire MultiSoft team we thank you for your interest in “Legtricity”. We are very proud of what we have accomplished in the Network Marketing Industry over the past 24+ years and would be honored to build a long term Strategic Alliance with your company, by assisting you in building Downlines with Legtricity.

You are obviously passionate about your services and products. Truthfully, that is the real key to success within the network marketing industry... focusing on product, product and then finally product. Enthusiasm, duplication and management skills, which I am confident that you already have, are important, but at its core this business is really about creating momentum and recruiting distributors to sell your product... that’s where Legtricity comes in!

The greatest attraction of Legtricity is one you have yet to experience... it’s the energy that will ripple through distributors in the field when they see the Leggy “IM” pop-up appear on their computers. Legtricity is an invaluable tool because it captures the magic of momentum and makes people want to join your company.

We would be delighted to start helping you build Downlines and are awaiting only your instructions to do so. Please do not hesitate to contact me personally with any questions that you might have.

Team MultiSoft greatly looks forward to working with you!

Sincerely,

Peter Spary

President/CEO

2. Definition of Confidential Information

"Confidential Information" as used in this Agreement shall mean any and all technical and non-technical information including patent, copyright, trade secrets, proprietary information, techniques, sketches, drawings, models, inventions, know-how, processes, apparatus, equipment, algorithms, software programs, software source documents, and formulae related to the current, future and proposed products and services of each of the parties, and includes, without limitation, their respective information concerning research, experimental work, development, design details and specifications, engineering, financial information, procurement requirements, purchasing, manufacturing, customer lists, business forecasts, sales and merchandising and marketing plans and information. "Confidential Information" also includes proprietary or confidential information of any third party who may disclose such information to either party in the course of the other party's business. 3. Non-disclosure and Non-use Obligation

Each of the parties agrees that it will not make use of, disseminate, or in any way disclose any Confidential Information of the other party to any person, firm or business, except to the extent necessary for negotiations, discussions, and consultations with personnel or authorized representatives of the other party, and any purpose the other party may hereafter authorize in writing. Furthermore, the existence of any business negotiations, discussions, consultations or agreements in progress between the parties shall not be released to any form of public media without written approval of both parties. Each of the parties agrees that it shall treat all Confidential Information of the other party with the same degree of care as it accords to its own Confidential Information, but in no event less than a reasonable degree of care. If either party is not an individual, such party agrees that it shall disclose Confidential Information of the other party only to those of its employees who need to know such information and certifies that such employees have previously agreed, either as a condition to employment or in order to obtain the Confidential Information, to be bound by terms and conditions substantially similar to those of this Agreement. Recipient will immediately give notice to Discloser of any unauthorized use or disclosure of the Confidential Information. Recipient agrees to assist Discloser in remedying any such unauthorized use or disclosure of the Confidential Information.

4. Exclusions from Non-disclosure and Non-use Obligations

Each party's obligations under Paragraph three (3) ("Non-disclosure and Non-use Obligations") with respect to any portion of the other party's Confidential Information shall terminate when the party seeking to avoid its obligation under such paragraph can document that: (i) it was in the public domain at or subsequent to the time it was communicated to Recipient by Discloser through no fault of Recipient; (ii) it was rightfully in Recipient's possession free of any obligation of confidence at or subsequent to the time it was communicated to Recipient by Discloser; (iii) it was developed by employees or agents of Recipient independently of and without reference to any information communicated to Recipient by Discloser; (iv) it was communicated by the Discloser to an unaffiliated third party free of any obligation of confidence; or (v) the communication was in response to a valid order by a court or other governmental body, was otherwise required by law or was necessary to establish the rights of either party under this Agreement.

5. Ownership of Confidential Information and Other Materials

All Confidential Information, and any Derivatives thereof whether created by Discloser or Recipient, remain the property of Discloser and no license or other rights to Confidential Information is granted or implied hereby. 6. Independent Development

Discloser understands that Recipient may currently or in the future be developing information internally, or receiving information from other parties that may be similar to Discloser's information. Accordingly, nothing in this Agreement will be construed as a representation or inference that Recipient will not develop products, or have products developed for it, that, without violation of this agreement, compete with the products or systems contemplated by Discloser's Confidential Information.

7. Disclosure of Third Party Information

Neither party shall communicate any information to the other in violation of the proprietary rights of any third party.

8. No Warranty

All Confidential Information is provided "As Is" and without any warranty, express, implied or otherwise, regarding its accuracy or performance.

9. Injunctive Relief

A breach of any of the promises or agreements contained herein will result in irreparable and continuing damage to the party who's Confidential Information is/was disclosed, for which there will be no adequate remedy at law. The parties agree that upon a breach or threatened breach of any of the terms of this Agreement concerning any matters referenced herein, the non-breaching party is entitled to seek an injunction restraining the breach and/or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and costs incurred in obtaining said equitable relief. The foregoing equitable remedy will be in addition to all remedies or rights that the aggrieved party may otherwise have by virtue of any breach of this Agreement by the breaching party. The aggrieved party is entitled to seek relief without the posting of any bond or security and if a court of competent jurisdiction

will nevertheless require a bond, the parties agree that the sum of US\$100 is a sufficient bond.

Attorneys' fees include paralegal fees, administrative costs, investigative costs, costs of expert witnesses, court reporter fees, sales and use taxes, if any, and all other charges billed by the attorneys to the prevailing party.

12. No Assignment

Neither party will assign or transfer any rights or obligations under this Agreement without the prior written consent of the other party.

13. Waiver

The waiver of a breach of any provision of this Agreement by either party shall not operate or be construed as a waiver of any other or subsequent breach.

14. Severability

Should any provisions of this Agreement be held by a court of law to be illegal, invalid, or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby.

15. Notices

Any notice required or permitted by this Agreement shall be delivered as follows with notice deemed given as indicated: (i) by delivery when delivered personally; (ii) by overnight courier upon written verification of receipt; (iii) by telecopy or facsimile transmission upon acknowledgment of receipt of electronic transmission; or (iv) by certified or registered mail, return receipt requested, upon verification of receipt or (v) by email to the last address on file at MultiSoft. **MULTISOFT LICENSE &
APPLICATION SERVICE PROVIDER AGREEMENT (ASP)
For "Legtricity" System**

THIS AGREEMENT, by and between MultiSoft Corporation (hereinafter "MultiSoft" or "Licensor") located at 1723 SE 47th Terrace, Cape Coral FL 33904, and:

WHEREAS, Licensor is the owner of all right, title, and interest in a computer software System known as "Legtricity", hereinafter ("System"); and

WHEREAS, Licensee is desirous of obtaining a month-to-month license to participate in MultiSoft's Legtricity Application Service Provider ("ASP") program;

NOW, THEREFORE, in consideration of the mutual obligations assumed by Licensor and Licensee, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, it is hereby agreed as follows:

DEFINITIONS

Application Service Provider (ASP): This is a service whereby MultiSoft licenses access to hardware, software and Internet bandwidth to Licensee. The System is modified to Licensee's requirements only as detailed in Addendum II (Customizations) from the most current and standard version of System. Licensee's Administrators, its distributors and its pre-enrollees may access the Legtricity System exclusively via the Internet on a month-to-month password protected basis. For the duration of this agreement MultiSoft owns all hardware, software and Internet bandwidth. In short, MultiSoft rents use of its System, hardware, labor and bandwidth on a monthly basis to Licensee and MultiSoft is compensated as detailed in Addendum I.

Distributor: A distributor is an individual that participates in the MLM business opportunity. Distributors that have access to the Legtricity service within the current billing period will contribute towards ASP fees. Access to service is typically predicated on a distributor having purchased Legtricity access from Licensor (i.e. from the MLM company), however Licensor is free to give service away or charge any amount for service at its discretion with the understanding that Licensor will bill for service usage per the terms of Addendum I, regardless of whether or not Licensee collected money for use of that service. Billing periods run one month in length and are variable according to the Licensee's activation date; e.g. a Licensee

whose System was deployed on the 14th would always have a billing period that ran from the 14th of “this month” to the 13th of “next month”.

Pre-enrollee: A pre-enrollee is a prospect or lead that an existing distributor is working to convert into a distributor. Pre-enrollees do not factor into ASP fees; i.e. Licensor will not bill Licensee for the pre-enrollees present in the system.

1. TERM

Licensor hereby grants Licensee a non-exclusive license to use the System for as long as Licensee’s account remains in good standing. Licensee does not become the owner of the System, nor does Licensee acquire the right to copy or alter the software or printed materials related to the System. Licensee agrees to be legally accountable for any violation of this License Agreement by Licensee.

The System may not be transferred or sold by Licensee; this is a month-to-month license and Licensee may terminate at any time by providing Licensor thirty (30) days prior written notice and by destroying or returning system, software and all proprietary documentation and information owned by MultiSoft.

2. FEES

In consideration of the grant of the license described herein, Licensee shall pay MultiSoft Fees as set forth in Addendum I. Any additional custom services will be billed at MultiSoft’s standard hourly programming rate. Licensor’s billing facility will automatically suspend any system that carries an outstanding balance beyond (5) calendar days.

Licensee acknowledges and agrees that Licensor has the right to make reasonable adjustments to its prices and fees at any time, in its sole discretion, provided Licensor provides Licensee with at least three (3) months prior notice of such changes and provided that such changes do not increase by more than 10% in any given six month period.

3. SERVICES TO BE PROVIDED BY MULTISOFT

A. ACCESS AND USE

Licensor hosts the System on its own hardware. Licensee will be granted access to use of the software via the Internet and the ability to modify Licensor designated areas of Software.

B. BACKUP OF DATA

Licensor will backup Licensee’s data on a daily basis and periodically make available the backups as requested. It is the Licensee’s responsibility to retrieve and archive

these backups when provided. If requested in writing by Licensee, MultiSoft will prepare hard copy backups for which Licensee shall be billed US\$200.00 per backup.

C. MODIFICATIONS TO SYSTEM

Licensor may modify, improve, adapt and/or replace any components of the System at any time, providing that, within reason, such modification, improvement, adaptation or replacement does not materially degrade the performance or functionality of the System.

4. DELIVERY OF SYSTEM

Licensor agrees to commence the setup of the System upon receipt of this signed License Agreement and cleared funds.

5. TERMS OF SERVICE

By using the System provided by Licensor, Licensee agrees to these Terms of Service ("TOS") on its behalf and on behalf of Licensee's employees, agents, distributors, pre-enrollees, customers, affiliates and any other permitted third party users.

A. Internet Access. In order to use the System, Licensee is solely responsible for the cost of its own local connection(s) to the World Wide Web. Browsers supported by the System are: Internet Explorer 7+, Safari, Chrome and Firefox 2+.

B. Domain & SSL. Unless source code is being purchased, the system will be deployed as a sub-domain of Legtricity.com. For example, if your company name was "XYZ", your Legtricity site would be hosted at xyz.legtricity.com. A SSL is neither required nor needed to use Legtricity, however Licensee may purchase one at its own cost and discretion. Licensor may assist with the technical aspects of the purchase on behalf of Licensee at Licensees request.

C. Registration and Other Information. Licensee agrees to: (a) provide true, accurate, current and complete information that is reasonably required by Licensor to carry out the terms of this Agreement as requested by Licensor, and (b) provide additional information to Licensor as reasonably required by Licensor, to enable it to adequately provide access to the System under this Agreement.

D. Access Rights. During use of the System, Licensee will have a limited, revocable, non-transferable and non-exclusive license to use the System consistent with these TOS. These access rights apply solely to Licensee, its administrators, distributors and pre-enrollees. Licensor will provide Licensee a login/password to gain access to the System. Licensee shall: (a) be responsible for the security and/or

use of the login/password System; (b) not disclose the login/password methods to any person or entity that is not an administrator, distributor or pre-enrollee of Licensee; (c) not permit any other person or entity to use the login/password System except as provided herein; and (d) use the System consistent with these TOS.

E. Suspension or Revocation. Subject to notifying Licensee and cure rights set forth herein, Licensor reserves the right to deny, suspend or revoke access to the System, in whole or in part, if Licensor believes, in good faith, that Licensee is in breach of, or using the System in a manner inconsistent with this license and these TOS. Subject to notifying Licensee and cure rights set forth herein, Licensor reserves the right to disable and/or remove from Licensor's hardware Licensee's data or other materials that are, in Licensor's reasonable discretion, disruptive to the operation of the System. Subject to Licensee's notice and cure rights, in the event that an account is disabled or deleted, the disabling or deletion of the account will occur immediately and the Licensee will be notified immediately. These rights are in addition to those rights set forth under the terms of default.

F. Security. Unless otherwise notified pursuant to the terms of this license, Licensee is responsible for all electronic communications, including account registration and other information of Licensee such as e-mail, files and other data ("Electronic Communications") entered through the System. Licensor will assume that all Electronic Communications it receives were authorized and sent by Licensee and, where appropriate, will act in full reliance thereon. Licensee agrees to notify Licensor immediately if it becomes aware of any unauthorized use of the Systems.

The security of Electronic Communications shall be maintained through the use of passwords and other methods which Licensor may employ, or which Licensor may suggest or reasonably require that Licensee employ. Licensee acknowledges and agrees however, that Licensor cannot guarantee that the System and/or Electronic Communications will be protected against third party interference, interception, or other actions.

(i) Licensor complies with the Payment Card Industry (PCI) financial security standards. These standards are industry accepted practices for maintaining the security of credit card and ACH data within the Licensor's network. Although no hosting of a site outside of the Legtricity site itself is included as part of this agreement, if Licensee chooses to host with Licensor another website that has been designed by the Licensee or a third party agent working on behalf of Licensee, that website must meet the PCI security standards. Websites placed for hosting with Licensor will be scanned for vulnerabilities within 24 hours of hosting setup. If

vulnerabilities are discovered with the website, Licensee will have 48 hours to address them before the site is suspended.

Each website hosted with Licensor will be scanned for security vulnerabilities once every 24 hours. Vulnerabilities introduced to a site by Licensee, whether originally designed by Licensor, Licensee or another party, must be remedied by Licensee within 48 hours. Vulnerabilities not remedied within 48 hours will result in suspension of the site until the vulnerabilities have been eliminated by Licensee.

G. Electronic Communications between Licensor and Licensee.

Licensor and Licensee may communicate in an electronic manner. Licensee acknowledges and agrees to the following with respect to use of Electronic Communications:

(i) Licensor shall be entitled, but is not obligated, to review or retain Electronic Communications to confirm compliance with the License Agreement and these TOS, and to maintain the security of the System. Licensor may also review or retain Electronic Communications related to usage of the Systems by Licensee, its distributors and pre-enrollees.

(ii) Provided that Licensor complies with the confidentiality and disclosure provisions of this Agreement, Licensor may disclose Electronic Communications if so required by law or in the good faith belief that such disclosure is reasonably necessary to: (a) comply with legal, judicial or other governmental process; (b) enforce this Agreement and/or these TOS; (c) respond to claims that any Electronic Communication violates the rights of third parties; or (d) protect the rights, property, or personal security of Licensor, its customers, or others.

(iii) Licensor shall from time to time provide notices, statements and other communications to Licensee through e-mail, posting on the Systems, or through other electronic transmissions. Licensee agrees to comply with, and be bound by, all such notices and communications upon receipt of the same, unless such notices, statements or other communications modify the terms and conditions of this Agreement and provided that such notices, statements or other communications do not materially alter Licensee's rights to use the System.

(iv) Licensee and Licensor agrees to provide e-mail address(es), and promptly to provide any changes to e-mail address(es) and accept Electronic Communications at the e-mail address(es) specified.

H. General Practices and Additional Guidelines Regarding the Use of the Services.

Licensee acknowledges that Licensor may establish and post general practices concerning use of the System subsequent to the signing of this Agreement. Licensee further acknowledges and agrees that Licensor has the right to change these general practices at any time, in its sole discretion, provided that such changes are reasonable and do not unreasonably alter Licensee's rights to use the System, or are required by law or court order. In addition, when using specific components of the System, Licensee agrees to comply with, and be bound by, any reasonable guidelines or reasonable rules applicable to such components of the System which Licensor may communicate to Licensee. Continued use of the System after receipt of notice of such changes, constitutes Licensee's acceptance of said terms and conditions and its Agreement to be bound thereby.

I. Modifications.

Licensor reserves the right to reasonably modify or update these TOS upon 10 days prior written notice to Licensee in the manner provided by the terms of this License Agreement.

J. Prohibited Activities: Neither Licensee, its agents, employees, customers, distributors, pre-enrollees nor other authorized third party users, may engage in any of the following:

a) Subject to the cure provisions provided below, either party may terminate this Agreement upon the other party's failure to comply with any term or condition of this Agreement with 30 days written notice.

b) In the event either party is in breach of this Agreement for any reason other than non-payment of fees, the non-breaching party shall provide breaching party with written notice of the act or acts of default, in the manner provided hereunder. Should the breaching party fail to cure any such default within thirty (30) days after receipt of such written notice of default, the non-breaching party may terminate this Agreement.

c) Upon an act of default by Licensee, Licensor shall automatically restrict access to the System until all outstanding fees or charges have been paid in full, or until all other defaults have been cured as provided in this section.

d) Should access to the System be restricted or terminated due to a default under this section, as a further condition to reinstate access after the cure of any such default, Licensor may require, at its sole discretion, that Licensee pay to MultiSoft a

reinstatement charge in an amount equal to the highest two (2) months monthly fees incurred by Licensee prior to such default.

e) Should Licensee become insolvent, file for federal bankruptcy protection, or cease business operations for any reason, Licensee shall be deemed to be in default of this Agreement. Upon Licensee's default under this sub-section, Licensor may immediately restrict access to the System without notice.

12. TERMINATION

a) For cause and subject to the cure provisions herein, either party may terminate this Agreement with thirty (30) calendar day's written notice to the other party. In the event that Licensee terminates this Agreement, all unpaid outstanding balances as detailed in Addendum I shall become payable to Licensor.

b) During the thirty (30) day calendar period pending termination, the parties shall continue to be bound by, and responsible to comply with, all of the terms and conditions of this Agreement, including the payment of all fees required pursuant to all addendums to this Agreement. Upon receipt of payment of all outstanding amounts owed to Licensor by Licensee, Licensor agrees at Licensee's written request to extract the personal information and genealogical relationship of distributors and pre-enrollees from its database and transfer such data to Licensee in TXT or CSV format.

c) Upon termination of this Agreement: (i) all obligations and rights hereunder relating to the System shall terminate; and (ii) any and all payment obligations relating to Services provided prior to the date of termination shall immediately become due and payable by Licensee, unless Licensee terminates this Agreement pursuant to Sections 11(a) and (b) above.

d) Licensor's billing facility will automatically suspend any System that has an open billing amount 5 days past due. In conjunction with this, Licensor may, at its sole discretion, terminate this Agreement in the event that any billing amount equals or exceeds 10 days past due.

13. MULTISOFT'S PROPRIETARY RIGHTS

The System and its software, source and object code, processes and informational content thereof, including all copyrights thereto, text and artwork is owned by, and at all times shall remain the property of Licensor. This Agreement creates no ownership rights of any nature, form, or description for Licensee, its agents or employees. MultiSoft remains the sole owner of all source code, methodology, templates, design, technology, trademarks and service marks, and other intellectual property rights associated with the System and related software and

products, whether or not subject to formal registered patent, copyright or other legal protection. Licensee acknowledges such ownership rights of MultiSoft and agrees that no use of the System by Licensee is permissible except under the terms of this Agreement, and only while this Agreement is in effect.

Licensee acknowledges and agrees that the System contains proprietary and confidential information that is protected by applicable intellectual property and other laws. Except as expressly authorized by MultiSoft, Licensee agrees not to modify, copy, rent, lease, loan, sell, distribute or create derivative works based on the System, in whole or in part. Licensee further acknowledges and agrees that the System is of a confidential nature, and therefore agrees that Licensee shall exercise due and reasonable care not to sell, grant, convey, make available, or in any other manner disclose to a third party the System licensed herein or any portion thereof. It is hereby specifically agreed that any impermissible or voluntary negligent disclosure of the System to a third party is a material breach of this license Agreement. The terms and conditions of the Mutual Confidentiality Agreement executed by the parties prior to the execution of this Agreement are incorporated herein by reference as if said terms and conditions were expressly re-stated herein.

Licensor grants Licensee a non-transferable and non-exclusive right and license to use the System; provided that Licensee does not copy, modify, create a derivative work, reverse engineer, reverse assemble, or otherwise attempt to discover any source code, sell, assign, sub-license, grant a security interest in or otherwise transfer any right in the System or software related thereto. Licensee agrees not to modify the System or software related thereto in any manner or form, or to use modified versions of the System for any purpose.

14. THIRD PARTY VENDORS

Licensee acknowledges that the use by Licensee of certain third party software applications or other services provided as part of the System may be subject to additional terms and conditions imposed by third party vendors. Licensee agrees to abide by all such additional terms and conditions, provided Licensee is given a copy of all such additional terms and conditions prior to Licensee's use of such third party applications.

15. NON-SOLICITATION OF MULTISOFT EMPLOYEES

In further consideration for the providing of technical support by MultiSoft, Licensee agrees that except with the prior written consent of MultiSoft, during the term of this Agreement and for a period of two (2) years thereafter, Licensee will not solicit for employment with Licensee or have any discussion with any current or former employee(s) of MultiSoft concerning employment of any nature, and Licensee shall not induce or attempt to influence any employee of MultiSoft to terminate his or her

employment with MultiSoft. An individual is considered to be a former employee of MultiSoft if employed by MultiSoft within the two years prior to execution or termination of this Agreement, whichever should later occur.

16. GOVERNING LAW

This Agreement shall be governed by, and interpreted under, the laws of the State of Florida, United States of America. The parties acknowledge that a substantial portion of the negotiations, performance and signing of this Agreement occurred or will occur in Lee County, Florida, and therefore, each of the parties irrevocably and unconditionally: (a) agrees that any suit, action or legal proceeding arising out of or relating to this Agreement shall be brought in the circuit or county courts of the State of Florida, which state Courts shall have exclusive subject matter and personal jurisdiction over the parties, with exclusive venue in Lee County, Florida; (b) consents to the jurisdiction of each court in any suit, action or proceeding; (c) waives any objection that it may have to personal jurisdiction or the laying of venue of any suit, action or proceeding in any of these courts; and (d) agrees that service of any court paper may be effected on that party by mail at the last known address, as provided in this Agreement, or in any other manner as may be provided under Florida law.

In the event of a breach or anticipatory breach of this agreement by Licensee, Licensor may apply for and receive a temporary restraining order, without prior notice or bond, restraining such breach or anticipatory breach, as a part of any legal action against Licensee for injunctive or protective relief. This provision shall not apply to non-payment of contract amounts owed or to be paid by Licensee to Licensor under this agreement.

17. TAXES

Licensee is solely responsible for payment of his/her/its own income and all other taxes of whatever nature imposed upon Licensee, including those of its employees or agents, due and owing to any country, state, county, province, territory, municipal authority, or other duly authorized governmental body, and agrees to pay directly to the appropriate governmental agency all such taxes which accrue due to the granting, and/or arising out of the use of, this license. MultiSoft Corporation shall not be responsible for payment of any such taxes which are the responsibility of Licensee hereunder.

18. NOTICES

Routine communications and notices required under this Agreement may be given by regular mail and by e-mail. Each party shall designate an e-mail address or addresses for these communications. Sensitive or confidential notices shall be sent via certified mail to addresses and addressees designated in writing, or if no

instructions are given, shall be addressed to the signer of this contract at the principal business office of the party. Certified mail notices shall be deemed given upon tender of delivery or notice of availability from the U.S. Post Office.

19. SEVERABILITY

If any provision of this Agreement or any other Agreement entered into pursuant to this Agreement is contrary to, prohibited by or deemed invalid under applicable law or regulation, that provision is inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder of this Agreement will not be invalidated thereby and will be given full force and effect so far as possible. If any provision of this Agreement may be construed in two or more ways, one of which would render the provision invalid or otherwise voidable or unenforceable and another of which would render the provision valid and enforceable, that provision has the meaning that renders it valid and enforceable.

20. SURVIVAL

All obligations of MultiSoft and Licensee that expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied or by their nature expire.

21. SUCCESSORS AND ASSIGNS BOUND

This Agreement shall be binding on Licensor and Licensee, their agents, successors and assigns. It supersedes any prior version of this Agreement executed by the parties.

22. WAIVER

The failure or delay of any party at any time to require performance by another party of any provision of this Agreement, even if known, will not affect the right of that party to require performance of that provision or to exercise any right, power or remedy under this Agreement. Any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of that provision, a waiver of the provision itself, or a waiver of any right, power or remedy under this Agreement. No notice to or demand on any party in any case will, of itself, entitle that party to any other or further notice or demand in similar or other circumstances.

23. FORCE MAJEURE

The parties shall not be liable for failure or delay in its performance under this Agreement due to any cause beyond its reasonable control, including, but not limited to: acts of God; failure or disruptions in third party-controlled or operated

communications facilities, internet service providers; and/or worms, viruses and other disabling and/or disruptive software, communications and/or files.

26. ENTIRE AGREEMENT

This License Agreement, its Addendums and all other written Agreements expressly referenced in, or related to this Agreement, including, but not limited to, a Mutual Confidentiality Agreement, represent the entire understanding and Agreement between the parties with respect to the subject matter of this Agreement and supersede all other negotiations, understandings and representations, if any, made by and between the parties.

No representations, inducements, promises or Agreements, oral or otherwise, if not embodied in this Agreement, its schedules or in other written Agreements related to this Agreement and expressly referenced in this Agreement will be of any force or effect.
